Critical Industry Employee Authorization to Travel Regardless of the Time of Day

March 21, 2020

To Whom It May Concern:

The Mold-Rite Plastics facility in Plattsburgh, NY is a manufacturer of packaging for the food, pharmaceutical, nutraceutical and personal hygiene markets. Businesses in the supply chain for these market segments have been designated **ESSENTIAL** by the Governor of New York in his most recent executive order and necessary to support **ESSENTIAL CRITICAL INFRASTRUCTURE** by the Department of Homeland Security in their recent advisory letter dated March 19, 2020.

Mold-Rite Plastics in Plattsburgh, NY remains operational on a 24 hour/day, 7 day/week basis to support strong demand for these essential products.

We have issued this letter to employees of Mold-Rite so they can travel to and from work as their shift schedule prescribes. The individual in possession of this letter is an "essential and critical industry" employee and should be considered exempt from local curfews, work restrictions or mobility restrictions in New York.

Should you have any questions, please contact Eric Zeisloft, VP of Operations at (717) 495-4491.

Thank you,
