Ultra Light[®]

Hinged Liquid Dispensing

Ultra Light Flip Top Closures

Ideal for liquid condiments, the **Ultra Light Flip Top Closure** helps to solve the age-old problem of ingredient separation. This new design features a liquid trap that keeps the separated liquid inside the bottle. The cap's modern 180° recessed opening promotes an easy-to-open, cleaner, more sanitary orifice area that is positioned to provide improved directional dispensing.

Ideal Markets:

Liquid condiments, mustards, honey, marinades, sauces, syrups, automotive, household cleaners and polishes

Cap Size: 28 - .125, .250, .300; 33 - .250; 38 - .250, .375, .500

Neck Finish: .400"

Orifice: .125", .250", .300", .375" and .500"

Colors: A variety of standard and custom colors

Liners: Induction and pressure sensitive seals

Key Benefits to the Consumer:

FEATURES	BENEFITS
Flap style dispensing	No lost caps, product freshness, no cap removal necessary, easy to squeeze and pour
Lightweight	Environmentally friendly
Liquid trap design	Reduces amount of separated liquid being dispensed before product
180° recessed opening area	Easy to open at various angles
Audible "snap"	Denotes security and product freshness

Key Benefits to the Manufacturer:

FEATURES	BENEFITS
Modern appearance	Shelf impact - builds brand image
Lightweight	Improved sustainability, lower shipping costs
Printable surface	Enhance brand image and perceived value
